# Committee List Key:

1 = First Option  
2 = Neutral  
3 = Second Option

1. Does your person favor diplomatic approaches to solve issues (i.e. contacting foreign governments), or do they favor more militaristic approaches (i.e. sending military forces).

2. Does your person prioritize staying withing allocated budget for the Space Force, or are they willing to spend excess money in order to guarantee safety.

3. Does your person prefer to use connections within the nation that they have access to, or do they prefer to reach out to other nations for support?

4. Does your person prefer to keep matters internal to the Space Force, or are they willing to reach out to other branches of the military and government
